100th Anniversary News

It's March already - we're almost one quarter of the way through 2010! Hope everyone saw the one-page article in the Hendricks County Flyer titled "Happy 100th Birthday Boy Scouts." There were actually three different articles where they described our 100th Anniversary Board of Review, and talked about the HK District Breakfast. If you still need to pick up your certificate, contact HK Advancement Chair, Dean Stevens. He had them at roundtable in February and will have them this month as well. Next month we'll be sharing BIG PLANS about the State Fair! If you have any specific questions or suggestions, please contact Brenda Smith at bksmith856@aol.com.

100th Anniversary **Ambassadors** – Update

There are officially only 10 individuals in the Hou Koda District acting as Ambassadors for the 100th Anniversary. Our District has a numerical goal for the number of business with displays/brochures! It's a simple process:

- 1) Just "adopt-a-business" and provide a display for 100th Anniversary information and brochures and then ensure the brochures are stocked and up-to-date. We'll provide the display and brochures - all you can use!
- 2) Sign-up online to register the businesses in which you have placed displays, and we'll get you displays, brochures, and a special recognition pin. If you don't sign up, we can't recognize your efforts!

100th Anniversary Action Scouts – Update

There are only a few Units who have signed up as having Action Scouts. This covers three different areas.

- 1) You need to record your community events where the 100th Anniversary is emphasized. If you need "kits" supplied by CAC for these community events you need to sign up for those items. There won't be enough for all of CAC units, so the sooner you reserve your items, the more likely you are to receive them. This includes, parade banners, table banners, booth posters for fairs or expo's, etc. Kit's consist of Spark Kits, Marshmallow Blasters, Pop Bottle Rocket Launchers, etc. Our District has a numerical goal for the number of community events where the 100th Anniversary are emphasized!
- 2) If you are interested in being involved in activities such as Color Guard for Colts and Pacer games, you need to sign up. There are many opportunities for this year including, holding the large flag over the field for a Colts game, State Fair Booth Opportunities, Ice Games, and other community events were several scouts are need for a large event. You need to sign-up so the Council can contact you with those upcoming activities.
- 3) Once you participate in a community activity where the 100th Anniversary is emphasized with the use of banners, kits, etc - you can receive an Action Scout Patch. Contact Brenda Smith with a name of participants, and the patches will be supplied. (See attached form)
